

The Bathtub

Paloma Corral
Lisa Biggi

It's bath time, a daily routine that can become a real adventure when we put our imagination into it.

If the packaging of the soap reminds us of a UFO, the sponge transports us to the car wash tunnel and the foam of the shampoo looks a lot like an iceberg.

Is there anything better than a bath to experience great emotions? Yes, mom bathing with you is, but ... is it mom or is it a desert island?

An invitation to play and let your imagination soar in the water.
